

Title	Professional Animal
Duration	30 minutes
Nr of participants	20 participants
Objectives	Have fun, be creative, and body expression.
Description	<ol style="list-style-type: none">1. One participant gets on stage, the rest sit down around them.2. The participant will think of an animal and a profession/job/occupation. <i>For example, an astronaut giraffe.</i>3. Without saying what it is, the participant will start mimicking the animal doing said job, without producing any sounds.4. The other participants will try to guess, until they know both the animal and the profession.5. It will be another participant's turn and the same steps will be repeated with as many participants as possible.
Guidelines for the facilitator	If the participants cannot come up with their own Professional Animal, the facilitator will provide them.
